

CRHP Renewal Day, April 11, 2010
Evaluation

Please help us to continually make this a good experience for all of our CRHP participants by sharing your comments.

How often should we hold a CRHP Renewal Day? (Once a year, every 2 years, ...)

Which day of the week is best? Saturday? Sunday?

What time of the year is best? Fall? Summer? Spring? Winter? (And, are there particular dates we should avoid?)

What is the best part of coming together for the Renewal Day?

Do you have suggestions for our next Renewal Day?

Would you like to be part of a planning team in the future? (If so, please sign your name)
