

High School Religious Ed. Program

This year grades 9-10, will again meet as small groups with an adult facilitator. Grade 11 will meet separately for Confirmation preparation and grade 12 will have a senior's only class. These groups meet at people's homes. A letter will be mailed to the youth soon with information about their group members, adult facilitator, and where to meet.

These small groups will follow the schedule in the Religious Ed. Handbook. Small groups will begin at 6:45 and will end at 8:15 p.m. Some Wednesday activities are scheduled to take place at the school or church. These will give the opportunity for all of the students to be together for fellowship & prayer. We plan to incorporate retreats & service projects into our program as well.

The intent of the program is to gather as friends to reflect on Christian faith and to deepen that faith in a friendly atmosphere of trust, openness, honesty, and mutual respect.
