

THE KINDERGARTEN CONNECTION

Friday, May 28, 2010

We focused on reviewing again this week. We played "Star Word BINGO." We made our fifth vowel sound reader, "Bugs, Ducks and Mud" and worked on math levels. Ten students have passed the last level of addition- number 12!! We even had another mock spelling test over some of our Star Words! Next week we will continue reviewing all the letters and the sounds that they make as well as math skills right up to the last day.

LITTLE OLYMPICS DAY:

It is an annual tradition dating back to my own days as a St. Mary's student to have a field day at the end of the year. We call this day "Little Olympics." Students in grades K-6 will partake in some friendly competition in events such as 50 yard dash, obstacle course, Frisbee toss, and tug-of-war. The older students win ribbons for first, second and third place finishes. Kindergarteners just compete for the fun of it and to become familiar with the events for first grade. **Please be sure that your child dresses to be outside and running on Tuesday (Wed. if raining.)**

***Sign up for summer reading at the library!**

REMINDERS:

- ✓ **We have 36 Star Words in all. Please practice them this summer.**
- ✓ **Please return spring pictures &/or money for them ASAP.**
- ✓ **Jump Start forms are due next week.**
- ✓ **Please take the time to return the survey that was sent home on Tuesday. It will help make our school the best it can be!**
- ✓ **Please let me know if your child will be missing any of the days next week so that I can plan accordingly.**
- ✓ **Be watching for our kindergarten memory books to come home. I hope you enjoy the pictures of some of the highlights of the year.**

I cannot believe the year is at the end - where did the time go?! I have truly enjoyed being your child's teacher and watching all of the growth and changes this year. I am so proud of each student and the progress they have made. I wish you a safe and wonderful summer. I hope to see you at Bible School in June!!

God bless you,
