

THE KINDERGARTEN CONNECTION

Friday, Nov. 14, 2008

We have been working hard this week on the letter Jj and the sound that it makes. We counted "Just how much Junk" I had in a tray and made Jack-in-the-boxes. We did jigsaw puzzles and even colored our own! Next week our learning centers will focus on the letter Kk and its sound.

ONE CUP OF SOMETHING:

We will be getting together with our fifth grade buddies sometime during the week of Thanksgiving. We play Native American games and then share a snack in the tradition of the first Thanksgiving. We make a potluck trail mix snack by asking each kindergartener to bring in one cup of something to add to our mix. Good suggestions include dry cereal, small crackers or pretzels, M & Ms, chocolate chips, raisins, or any other small finger food. **Please do not send nuts of any kind in case of allergies.** Please send your contribution to school in a ziplock bag with your child's name on it. Thanks!

GREAT JOB!

Thank you all for being so diligent with the book homework! It is so nice to have a group of parents that stay on top of the details. Your children are learning great skills because of your example. Keep up the great work!
