

New Pick-up Procedures for Wednesday Evening Religious Education

Students will be escorted to the appropriate pick-up location by their teachers. As parents (or family member) pulls up to the door, the student will be dismissed. Parents will not need to come into the building to pick-up students. Please see the newsletter your child brought home this evening for further information.

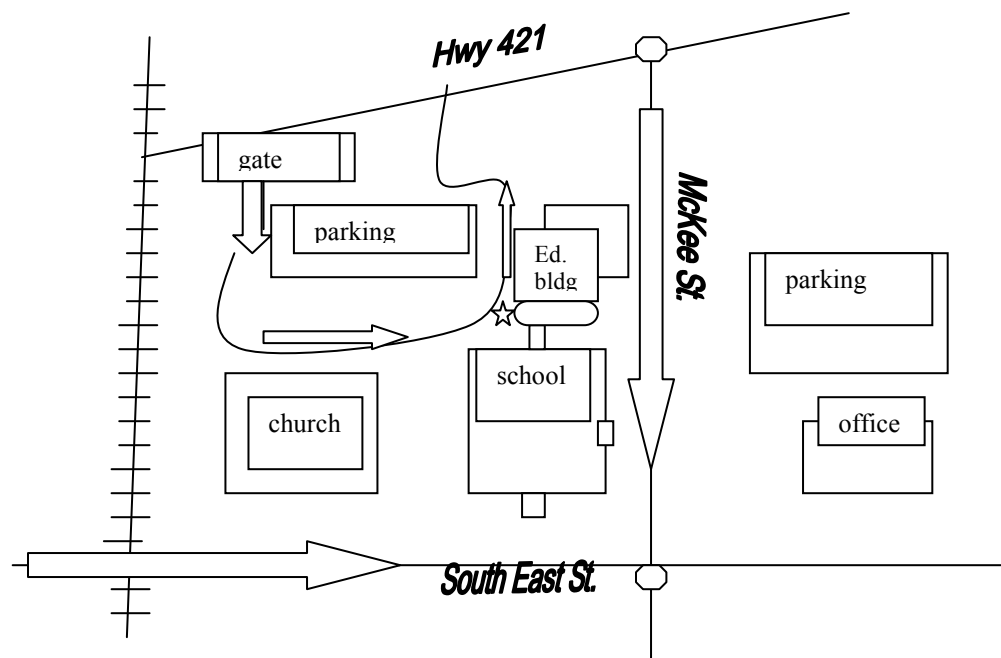

If a teacher needs to speak with a parent, the child will bring a note from the teacher to the parent and either ask for a telephone call or ask the parent to speak with the teacher before class the following week.

Grades 6-8 – Will exit from the East school doors – between the school and the Education Bldg. at 8:00 p.m. Cars should enter from the back church parking lot on Hwy 421 to get in line. Grade 8 Students will walk to the school from the office building at 7:55 and will get in line. (They will not be permitted to get inside of a vehicle on their walk from the office building to the school). #3

If there are siblings attending on Wednesday night – the younger child(ren) will meet the oldest child and all will be picked up at the oldest child's location.

We would also like to remind you that once classes begin on Wednesday evenings, all school doors will be locked except the North doors (between the school and church). This is another safety feature we are putting in place this year. Except for a few minutes each evening, there is generally a hall monitor at these doors. If you do need to come into the school on Wednesday, just simply check in with a hall monitor or sign your name at the table by this door. In the event the hall monitors are called away for a prolonged period of time, those doors will be locked until they can return. You are welcome to the school and to your child's class at anytime during religious education class times. Thank you.
